Crystal clear water and incredible views Herceg Novi is a town at the entrance of the Boka Kotorska Gulf. Mild Mediterranean climate, crystal clear sea water, long beaches, rich flora and fauna, are the reasons having an unforgettable vacation at the Herceg Novi Riviera. The town was founded 625 years ago by the Bosnian king Tvrtko I in 1382 who started to build the famous castle Forte Mare to protect the bay of Kotor (Boka Kotorska Bay) from pirates and intruders. Hotels offers great last minute rates from september to may on hotels along the beach. All hotels offer a generous savings off of regular hotel accommodation rates.
